*President's Message  
 from  
 Rose Worthington*

As Soroptimist International of Redding celebrates our 68<sup>th</sup> year, we reflect on the mission of Soroptimist: "Working together to better the lives of woman and girls in our community and throughout the world"

This coming year we will be hosting our 17<sup>th</sup> annual Breast Cancer Awareness Luncheon in October. The funds raised will help women and men who otherwise could not afford to pay for mammograms.

A new program that our organization will be launching is "Dream it\*Be it". It will target girls in secondary school who face obstacles to their future success. It will provide girls with access to professional role models, career education and resources to live their dreams.

We will also be working with One Safe Place, an organization for victims of domestic violence. We will also continue working to stop Sex and Human Trafficking.

Please join us as we continue to **"LOVE, INSPIRE and SERVE."**
