Dear Soroptimist Friend:

Soroptimist International of Redding is pleased to announce we will be hosting our 21st annual Breast Cancer Awareness Luncheon on October 5, 2018 at the Holiday Inn, Redding in recognition of "Breast Cancer Awareness Month".

Our keynote speaker this year will be a local Redding community member, Michele Woods, RN. we are pleased to announce Michele is the M.A Palliative Care Coordinator for Dignity Health Mercy Medical Center Redding. We know you won't want to miss Michele's presentation entitled "Breast Cancer: One Size Does Not Fit All".

As in the past, we will be honoring an exceptional person with our "Person of Distinction" award. This person will be chosen by a panel of judges using information provided by nominations sent in by community members like you. An example of someone worthy of this honor, would be a dedicated community member who has contributed time to the breast cancer awareness campaign by educating women about good breast health and the importance of early breast cancer detection. The person you nominate might be someone who volunteers their time and efforts to patients and families going through cancer. If you know someone who deserves recognition, please nominate them for this "prestigious award." We have enclosed a list of past recipients for your review.

We would appreciate it if you could take time to fill out the enclosed nomination form and submit it along with any other documentation you think might help us in determining your nominee's eligibility for the award. **Please submit your nomination no later than September 7th 2018.** Your assistance in helping us recognize the worthy community member who is making a difference in the fight against breast cancer is greatly appreciated.

There will be special seating reserved for the winner of this prestigious award, their family and friends who wish to attend.
